

COVID-19:

HEALTH AND SAFETY NOTICE

CLASSES CANCELLED EFFECTIVE AS OF MARCH 15, 2020

Dear GYPSD Staff and Families:

Grande Yellowhead Public School Division's first priority is for the health and safety of our students and staff. Administration is closely monitoring the current COVID-19 pandemic and working with health officials to ensure that those under our care are not exposed to unnecessary risk and exposure to the virus.

As of March 15, 2020, the Premier's Office announced that all classes in Alberta are cancelled until further notice in response to the emergence of the COVID-19 pandemic.

Children will not have access to school during this time—you do not need to report their absence.

Please check the division's website at www.gypsd.ca and social media for updates such as schedules for the picking up of personal belongings. Information in regards to the continuity of learning will be made available in the near future.

For more information, please visit the Alberta Health Services website on the COVID-19 pandemic and their resources which include important phone numbers and supports available in these unprecedented and difficult times.

Respectfully,

C. Lewis
Superintendent of Schools
